

Movement Dynamics User Website Guide

Introduction

This guide covers the following areas:

- Login into the Website
- Forgotten Password
- Ordering from the website
- Using the Admin area.
- Changing Devices
- Managing Licenses
- Renewing Licenses

Login into the Website

Here is the Login and Forgotten Password process

1. Go to the website Home page www.movementdynamics.com

The screenshot shows the website's navigation bar with the logo 'MOVEMENT DYNAMICS Athlete Development' on the left, a shopping cart icon, a phone number '+61 4787 95702', and a 'LOGIN / REGISTER' button on the right. The main navigation menu includes 'HOME', 'DOWNLOAD', 'ABOUT', 'PRODUCTS', 'BLOG', 'NEWS', 'FAQ', and 'CONTACT US'. The 'Login / Register' section is highlighted in red and contains two forms. The 'Login Here' form has a text input field with the email 'hardik@auxanoglobalservices.com', a password input field with masked characters, a 'Remember me' checkbox, a 'Forgot Password?' link, and a 'Login' button. The 'Create Your Account' form has a text input field for 'Enter email address' and a 'Create Your Account' button.

2. On the top right corner, the User will be able to see **Login/Register Button**. When the User clicks on this they will be redirected to the **Login Screen** as shown above. User needs to type their email address and password to login into the website and purchase the products

Forgot Password?

1. If the User forgets the password, click on ***Forgot Password?*** link to see the Forgot Password screen.

The screenshot shows the 'Forgot Password' screen on the Movement Dynamics website. The header is dark grey with the logo on the left and navigation links (HOME, DOWNLOAD, ABOUT, PRODUCTS, BLOG, NEWS, FAQ, CONTACT US) on the right. A phone number (+61 4787 95702) and a LOGIN / REGISTER link are also present. The main content area is red, and the 'Forgot Password' form is centered in a dark red box. The form includes the title 'Forgot Password', a prompt 'Enter Your email address to retrieve password', an input field with the placeholder 'Enter email address', and a 'Submit' button.

2. The User needs to type their email address to retrieve the current password which will be sent by email.

Change Password

1. Login into the Website
2. After Login the very first screen that the User will see is **Profile**.

Update Profile

3. The upper fields that are marked with Red are "Password" and "Confirm Password". User can change the password. After changing it the User needs to click on **Update Profile** button at the bottom of the page.

Ordering from the website

When ordering Books, you will be using **Lulu Publishing** – an external provider. Click on the chosen book and you will be taken to the page illustrating the book details. This page will show you the link to the order process (**'buy now'** button) which will take you to the **Lulu** web page where the purchase will be finalised. For some books you can choose between an 'e-book' version and the hard-copy version.

The Measurement Devices (Gauges and Wall Posters) all processed through the website by using PayPal or Pay by Cheque.

The video products are all processed through the website by using PayPal or Pay by Cheque.

1. Go to the website Home page www.movementdynamics.com Select **Products** (Top Navigation)

- Click the appropriate product from the Product List e.g. 5in5 Pack 5 and read the relevant information about the product.

5in5 Products

[5in5 Pack 1 Modules 1-6](#)
[5in5 Pack 2 - Modules 7- 12](#)
[5in5 Pack 3 - Modules 13-18](#)
[5in5 Pack 4 - Modules 19-24](#)
5in5 Pack 5 - All 24 Modules

- Click **Add to Cart**
- To order another product click Continue Shopping (Product Cart Page)
- To order multiple end-user licenses (a school / club / organization with several practitioners requiring the video clips) either repeat the above, or select the number toggle from the shopping cart screen

Update Cart

Checkout >

6. Enter the required number of products and then click Update Cart.
7. Click on **Checkout**
8. Click next – then select payment option. If a customer pays by PayPal the order process is fully automated.
9. Paying by cheque is a longer process. Customers using this process will be sent an invoice with all the payment details on it. Should a Purchase Order be required then please send this through to the website at sales@movementdynamics.com
10. The user will receive emails including their “License Code” and payment confirmation.

The purchaser now becomes the Administrator of the License and all the relevant information about end-users and renewals is administered in the created Admin Area. By logging in to the website using the same credentials used to open the account the Administrator will be able to navigate the section.

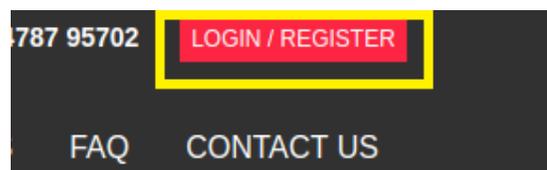

User Administration Area

Navigating the Administration Area

This is a service where an administrator (Head Teacher / Coaching Director) or individual customer can manage their individual License or number of Licenses being used by staff. It is an area that:

- Shows the username for each license.
- Shows the products that were purchased.
- Shows the license expiry date.
- Allows for devices to be changed
- Allows for end-users to be changed
- Allows for license renewals to be conducted.

1. To enter this area Log In using your Movement Dynamics site email and password.

2. Profile Area

This area lists your details where User can change the Password as described in the above change password process and other basic details. **IT IS VITAL THAT THE PROFILE EMAIL**

ADDRESS IS KEPT UP-TO-DATE BY THE USER. THIS IS THE EMAIL ADDRESS THAT ALL RENEWAL COMMUNICATIONS WILL USE. WE CANNOT RENEW AN EXPIRED LICENSE.

The screenshot shows a user profile page with a left-hand navigation menu and two main sections: 'Basic Information' and 'Billing Address'. The navigation menu includes 'Profile', 'Summary', 'Users', and 'Logout'. The 'Basic Information' section contains fields for title (Mr), email (frankrengbretson@gmail.com), first name (Frank), last name (Engebretson), and date of birth (12/12/1992). The 'Billing Address' section contains fields for first name (Frank), last name (Engebretson), company (Company), street address (Lucy Duncombe), city (London), postal code (SW15 3P), country (United Kingdom), and phone number (2083946170). An 'Update Profile' button is located at the bottom right of the form.

3. Summary Area

This is an area where an administrator (Head Teacher / Coaching Director) or individual customer can manage their individual License or number of Licenses being used by staff. It is an area that lists the products associated with the License, the order date, the expiry date and the username being used on the App.

It is also the place where the **License Renewal** is conducted

The screenshot shows a table with the following data:

Action	Licence Summary	Order Date	Expiry Date	Users
<input type="checkbox"/>	5in5 Pack 01 - Modules 1-6 X 2	12/02/2018 14:24:22	12/02/2019	

A red banner at the top of the table area states: "2 products will expire on 12/02/2019". A red "Renew" button is located below the table.

The above screenshot illustrates what is seen when the video product is first purchased. It shows the number of licenses (products); the title of the product; the purchase date; the expiry date. The Users column is blank because the end-user has not yet installed the App Player.

2 products will expire on 12/02/2019				
Action	Licence Summary	Order Date	Expiry Date	Users
<input type="checkbox"/>	5in5 Pack 01 - Modules 1-6 X 2	12/02/2018 14:24:22	12/02/2019	john smith
Renew				

The above screenshot illustrates the Summary section after an end-user has installed the App Player. Here, end-user John Smith now appears as one of the two users.

4. Users Area

Column 1 lists the number of products purchased (this example shows that 2 products were purchased for two different end-users to use). Column 2 lists the end-users when they install the App Player. Column 3 lists the product title and purchase and expiry dates. Column 4 shows the status – in this case no end-user has installed the product, so they remain 'Inactive'. Column 5 will show a 'Delete' button when an end-user installs the App Player.

Users						
#	Users	Product Detail			Status	Action
1		Package Name	Start Date	Expiry Date	Inactive	
		5in5 Pack 01 - Modules 1-6	12/02/2018	12/02/2019		
2		Package Name	Start Date	Expiry Date	Inactive	
		5in5 Pack 01 - Modules 1-6	12/02/2018	12/02/2019		
No Users has installed app yet						

The above screenshot of the Users section illustrates the time that the product is first purchased and there are no end-users listed because none have installed the App Player.

Users						
#	Users	Product Detail			Status	Action
1	john smith	Package Name	Start Date	Expiry Date	Active	Delete
		5in5 Pack 01 - Modules 1-6	12/02/2018	12/02/2019		
2		Package Name	Start Date	Expiry Date	Inactive	
		5in5 Pack 01 - Modules 1-6	12/02/2018	12/02/2019		

The above screenshot illustrates what happens when an end-user installs the App Player. Their username they entered to install the Player is seen in column 2. The status column now shows an 'Active' status due to the Player installation. The final column shows the 'Delete' button that frees up the license when an end-user needs to be changed or a device needs to be changed. The screenshot shows that end-user 2 has yet to install the App Player so the license remains 'Inactive' until this is done.

Multiple License Administration

Those organizations purchasing multiple licenses for their staff will receive the email that denotes where to go to for the device Player (PC/Mac/Android/Apple). This email will contain the one License Code for multiple use.

The administrator should send the email to each of the staff who will process the installation and download on their device. Each person must enter a different 'username' when installing

the App Player on their device. For multiple license holders it is advised that the end-user use a username that the administrator recognizes.

Changing Devices

This facility is used when an end-user no longer needs to use the App Player, or the device has been changed or upgraded. The process starts with the current user being deleted to free up the remaining time on the license for further use.

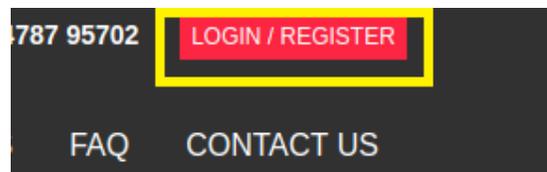

- Go to the **USERS** Area
- Find the License you wish to transfer to another device
- Click Delete
- After deleting the **Active** status will be converted into **Inactive** status (highlighted with red) shown in the following screen. This means that the License is now free to be used on another device for the remainder of the License period.

5	Package Name	Start Date	Expiry Date	Inactive
	Pack 02 Stability	24/01/2018	24/01/2019	
6	Package Name	Start Date	Expiry Date	Inactive
	5in5 Pack 02 - Modules 7-12	24/01/2018	24/01/2019	

- Go through the full installation on the new device (including 'Download')

Renewing Video Licenses

IT IS NOT POSSIBLE TO RENEW AN EXPIRED LICENSE, SO CUSTOMERS ARE ADVISED TO RENEW PRIOR TO THE FINAL DATE SHOWN IN THE PLAYER & THE RENEWAL EMAILS THAT THEY RECEIVE. PLEASE CHECK YOUR SPAM MAIL TO KEEP UP-TO-DATE WITH THESE EMAILS

- Click **SUMMARY**
- Licenses can be renewed by ticking the 'Action' box next to each License that needs to be renewed. And then clicking on the Renew button at the bottom of the page (highlighted with red).

Summary

10 products will expire on

Action	Licence Summary	Order Date	Expiry Date	Users
<input type="checkbox"/>	5in5 Pack 01 - Modules 1-6 X 5	24/01/2018 04:41:56	25/01/2018	
<input type="checkbox"/>	AMP Single Leg Journey X 5	24/01/2018 04:41:56	25/01/2018	

5 products will expire on 25/01/2019

Action	Licence Summary	Order Date	Expiry Date	Users
<input type="checkbox"/>	5in5 Pack 03 - Modules 13-18 X 5	25/01/2018 04:47:41	25/01/2019	

10 products will expire on 25/01/2019

[Renew](#)

- You will then be taken to the check-out page where you will choose your payment option.
- If you choose to pay by PayPal the renewal is automatic.
- If you choose to 'Pay by Cheque' the process will take longer as an invoice will be sent to you. When you choose this option the Confirmation page will appear.
